AMENDMENT AND RESPONSE UNDER 37 C.F.R. § 1.111

Sir:

Response under 37 C.F.R. § 1.111

This is a response to the Final Office Action mailed February 23, 2006.

Applicants respectfully request entry of the following amendments and consideration of the Remarks.

Attorney Docket No. ORTV.P005

1

Petition for Extension of Time under 37 C.F.R. § 1.136(a)

Applicants submit herewith a Petition for a two month Extension of Time under 37 C.F.R. § 1.136(a). Applicants further submit herewith the payment of the fee due under 37 C.F.R. § 1.17(a)(2).

Preliminary matters

The Office Action requested that the application be referred to as "Poor et al." Applicants have complied with the request.

The Office Action states that claims 1-25 have been examined. Applicants respectfully disagree and request correction. Claims 7-14 were subject to restriction in the Office Action mailed February 24, 2004. Applicants' response to the requirement for restriction filed May 18, 2004 elected claims 1-6 and 15-24, and canceled claims 7-14. As such, claims 7-14 have not been examined.

The Office Action further states that claims 7-14 have been canceled by the Applicants. Applicants would like to clarify that claims 7-14 were withdrawn from prosecution in response to a requirement for restriction, and therefore the cancellation of claims 7-14 does not in any way reflect on their patentability.

Interview Summary

Applicants wish to thank the Examiner for conducting a telephonic interview on June 21, 2006 in this application. Applicants submit herewith their Summary of the Interview under 37 C.F.R. § 1.333 as a separate document.
